The following is a checklist of the items we will need you to bring to your first visit with us. If you should have any questions regarding this checklist or required information, please feel free to call us prior to your visit.

_____ **LIST OF CURRENT MEDICATIONS**

_____ **ALL INSURANCE CARDS**

_____ **PATIENT INFORMATION FORM/MEDICAL RECORDS FORM**

_____ **PATIENT WORKSHEET FOR CONTACTING INSURANCE COMPANY**

Please remember:

- 1. To avoid antihistamines for 5 to 7 days prior to your appointment.**
- 2. To plan for payment of any co-pay, co-insurance, or deductible at your appointment.**
- 3. That if the patient is a minor, they must be accompanied to the appointment by a parent or legal guardian.**

Thank you for completing the required information. We make every attempt to make your first visit with us as pleasurable as possible and would appreciate any feedback you would like to provide.
